

DANKMOON

Whitepaper V1 - July 2021

# DANKMOON GOALS

The Dank Moon Protocol is a community driven, fair launched DeFi Token. Three simple functions occur during each trade: Reflection, LP Acquisition, and Burn.

## HOW TO GET APPROVED

The Pull request will be screened before it gets added to the Assets repository. In order to get approved, your submission must meet the following requirements.

- Fees are paid in BNB or TWT.
- Project has a website and a detailed white paper.
- Has a social media presence.
- Token audit is done by reputable security audit groups.
- No plagiarized content from other projects or companies.
- Detailed Token Information
- Minimum 5,000 token holders and 10,000 transactions (Airdrop tokens excluded\*\*).

## COMMUNITY DRIVEN

Community driven & fair launch. The dev team burned all of their tokens and participated with everyone else.

## AUTOMATIC LP

Every trade contributes towards automatically generating liquidity that goes into multiple pools used by exchanges

## RFI STATIC REWARDS

Holders earn passive rewards through static reflection as they watch their balance of Triforce grow indefinitely.

# THE DANK MOON ROADMAP

Q1 2021

## Protocol Initialized

We have successfully onboarded and confirmed a DogeCoin trading pair with Bibipom. We have also successfully begun integration process with WhiteBit and began legal paperwork with Bitmart. Our team size has doubled and our marketing campaign has begun.

Q3 2021

## The Initial Push

The Whitebit tokenomics integration will be completed along with the completion of the Triforce App, Wallet, and Game(s). The Bitmart integration with tokenomics will also be completed in this quarter. We will begin architecting the NFT Exchange as well as video-game integrations. We will be integrating Triforce Token with African Markets in addition to setting up a Charity drive and charity vote. We will be architecting a crypto educational app as well as onboarding new partners.

Q3 2021

## To the Moon!

We will finish the Triforce Exchange and our charity project. We will finish integrations with our first USA market and begin the next integrations with additional European markets. We will create an USA based Triforce Office and begin hiring in those markets to create jobs. We will be taking donations for our next charity project and begin a vote on the next project as well. We will be establishing a Triforce Scholarship in this quarter as well.

Q4 2021

## Holding the Line

We will finish our crypto educational app and begin our own charity project. We will begin a community listing donation raise for several exchanges (i.e. Coinbase, Binance, Kraken). We will finish our NFT exchange and release our first video game with Triforce integrated. We will be expanding the team by 25% and do a community meetup (pending covid restrictions).
